#### Colour Shades

## WHY OPT FOR TOILET CUBICLES

- Above ground level - easy maintenance & clean corners
- Easy to dismantle, transfer or replace
- Clean & classy finish, with an array of vibrant colors to choose from
- No tedious brick-work or masonry
- Easy access in case of emergency
- Ensures hygienic ventilation, an essential for toilets
- Stain-proof, scratch-proof, fire & chemical-resistant, unaffected by humidity
- Waterproof (except when soaked in stagnant water)
- Compliant with international safety standards
